The International Association of Certified Valuation Specialists (IACVS) was founded in 2000 to provide worldwide support to professionals performing valuations or fraud deterrence engagements. IACVS is the first and only international association to provide such global support. In the valuation field, IACVS promotes the uniform application of valuation theories, approaches, methods and models throughout the world. In the field of fraud deterrence and forensic accounting, IACVS encourages the development and dissemination of consistent and demonstrable systems and techniques for both detection and prevention of fraud. IACVS currently has 12 charters and individual memberships that cover more than 50 countries and regions including: China, Europe, Africa, Korea, Russia/CIS, USA, Middle East, Australia, Canada, Argentina, India, Brazil, Malaysia, Indonesia and Spain. www.iacva.org
